

Age Takes Centre Stage Awards 2011 Nomination Form

Which Award are you nominating for?

- Older People Together** – this is to celebrate the achievements of groups (based in North Tyneside and in which at least half the members are over 50) that give older people more opportunities to enjoy life and contribute to the community.
- Individual Achievement in Volunteering** - for a person aged over 50 who has given a lot to the community in North Tyneside as a volunteer.

We welcome nominations for individuals and groups who have not been nominated in the previous two years. As it is leading up to the 2012 London Olympics we are particularly inviting nominations for individuals and groups who promote physical activity and sporting involvement amongst people 50+.
